

How to pick up your hire car in Alicante airport

From level 0 of the terminal at the Arrivals hall, turn left to take the lift/escalator to take **level 1**

Once you are on level 1, the general parking is located **opposite the terminal**. Please, go through the **approach road** that directly connects the terminal and the parking.

When you get to the car park, you will find yourself on the **4th floor**. From here you go to **Block A** (left hand side), take the lift and descend to the **2nd floor of Block A**.

You will find us in Public Parking Block A, 2nd floor, space 140.

If our staff is not at the meeting point on your arrival, please wait a minute because they are on their way to bring your hire car.

Follow the signs until you get to the general parking in Alicante airport.

The parking is divided into two sections: A and B. Rent a Car Dénia is located in **section A** and the **access is on your left**.

The parking has 6 floors. Once you are in the parking, go to level 2 and look for the **parking space number A-140**.

There you will find a red Hyundai Atos from Rent a Car Dénia parked.

Please park the car as close as possible to space A-140.

Then, **approach the red Hyundai Atos parked in spot A-140. The rear left door is open. Please place the ticket collected at the parking entrance together with the keys inside the box.**
