

How to pick up your hire car at Valencia Airport

Leave the Terminal and go to the **Level 2 of the public parking (marked in blue).**

When you get to the general car park, you will find someone from our staff at the **parking space number 861.**

You'll pick your hire car up from here. If our staff is not at the meeting point on your arrival, please wait a minute because they are on their way to bring your hire car.

How to drop-off your hire car at Valencia airport

Follow the signs until you get to the **general parking** in Valencia airport, opposite the Terminal building.

Once you are in the parking, go to **Level 2 (marked in blue)** and look for parking space number **861**.

Please park your hire car as close as possible to parking space number 861. Then, **leave the ticket you collected at the parking entrance and the keys inside the vehicle, under the floor mat, without locking the car.**
