# Rent a car Dénia

# How to pick up your hire car in Alicante airport

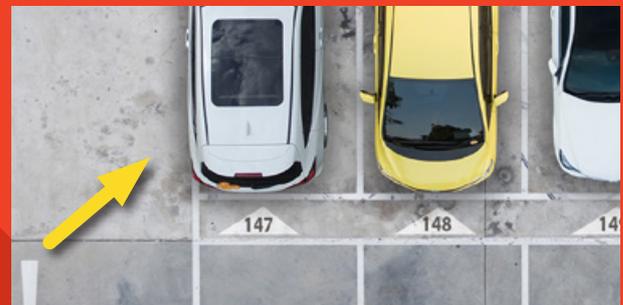

From level 0 of the terminal at the Arrivals hall, turn left to take the lift/escalator to **go to level 1**

Once you are on level 1, the general parking is located **opposite the terminal**. Please, go through the **approach road** that directly connects the terminal and the parking.

When you get to the car park, you will find yourself on **the 4th floor.** From here you **go to Block A (left hand side),** take the lift and descend to **the 1st floor of Block A.**

You will find us in Public Parking Block A, 1st floor, space 147.

If our staff is not at the meeting point on your arrival, please wait a minute because they are on their way to bring your hire car.

# How to drop-off your hire car in Alicante airport

Follow the signs until you get to the general parking in Alicante airport.

The parking is divided into two sections: A and B. Rent a Car Dénia is located in **section A** and the **access is on your left**.

Once you are in the parking, go to level 1 and look for the **parking space number A-147**.

There you will find a car from Rent a Car Dénia parked.

Please park the car as close as possible to space A-147.

Then, **approach the car parked in spot A-147. The rear left door is open. Please place the ticket collected at the parking entrance together with the keys inside the box.**
